

Aquaviva Alpacas

Aquaviva Bella

Aquaviva Herd Reduction Sale

Name	Aquaviva Bella				
Ear Tag	AQUP0003		Registry No.	1019559	
Birth Date	14-Mar-2018	Sex	Female	Phenotype	Huacaya
Colour	Solid Dark Brown				
Sire	Warramunga Downs Enyo - BLK (188494)				
Dam	Aquaviva Eringa Park Aroma - (S)DF (57164)				
Description	<p>Bella is a young dark brown female born in March 2018.</p> <p>Her mum Eringa Park Aroma has an excellent retention of uniform low micron fleece, and several of her fawn and white male offspring became champions and stud males, both in New Zealand and in Europe. Eringa Park Aroma has some black genetics in the background, and the mating to Warramunga Downs Enyo was arranged to bring out a fine dark colour fleece.</p> <p>Bella is still quite young, but her fleece appears to be fine and soft. She is halter trained and she gets on well with other young alpacas.</p>				
Fibre	A fleece sample can be provided on request.				

Aquaviva Bella

Bella (on the right) in the paddock with her friend Foxtrot, September 2018

Bella soon after she was born in March 2018. Very alert and full of energy.
