Dam	Aquaviva Lucinda - (S)MF (1012778)				
Description	<p>Dahlia is an attractive young medium fawn female born in March 2018.</p> <p>Her mum Aquaviva Lucinda is a nice looking female with soft light to medium fawn colour fleece. The sire Highway Star Snowman comes from Homestead Farm Apollo's line, with established history of producing dense, soft, well structured fleeces with good shearing weight.</p> <p>Dahlia is well grown for her age and she should be capable of becoming pregnant next year. She is friendly, halter trained and gets on well with other alpacas. She should settle well in a new home.</p>				
Fibre	Dahlia's fibre has not been tested because she has not been shorn yet. A fibre test can be arranged on request.
