Description	<p>Vanilla is an attractive young female with good genetics (Sire: Achilles and Dam: Rafaella - one of our best breeding females). Vanilla's fleece is dense and abundant, with soft handle. She had good first and second fleece statistics. Vanilla's blanket is white, but she had a fawn spot on her shoulder, which is reflected in her price.</p> <p>Vanilla has not been mated. She is now a well grown female and ready to be mated. We can provide a mating with our white stud Highway Star Snowman at a discounted price if required.</p>
